Once there is a spot for you on a specific litter waitlist based on the criteria you selected on this application, we will email you a Purchase Agreement/Health Warranty after the birth of the litter. At that time, you will need to sign and return it with a non-refundable payment (approx. 1/2 of the total price, less the application fee) due by the pups 3 week birthday. Final payment (inc. tax & shipping charges) is due by your puppy's 5 week birthday. Payments not received by the due date will release your puppy to another buyer, and your previous fees/payments will be forfeited. If, when it is your turn to select, we do not have a puppy matching your application criteria in that specific litter (and you do not wish to choose one of the available pups in that litter), your puppy payment(s), less the application fee will be refunded, and you will be transferred to the next litter with availability based on your waitlist date.

-I have read the above & reviewed the Purchase Agreement/Health Warranty (www.goldendoodle.com/Zippity%20Doodles%20Purchase%20Agreement.html) & agree to the terms. (initial)
-I understand that final price is dependent on color/sex/generation/size/shipping (www.goldendoodle.com/Zippity%20Doodles%20Prices.html) & will be stated on the purchase agreement. (initial)
-**I realize that application fee and payments for a puppy are Non-Refundable;** and that your application fee holds a spot on our waitlist in order of the date it was received. Typical waits can be a year or more, but often less. The more specific your needs (ie: color, curl, sex, size, generation) and the less flexible you are, the longer the wait. You may not know if there is a pup available until the puppies are 6-7 weeks old (after the selection process). **You will be notified by email of each litter with possible availability that matches your criteria.** (initial)
